MSGR *John Eneku* VILLAGE

MSGR JOHN ENEKU VILLAGE

Eneku Village is a hotel facility located in Madera in a rural suburban setting only 5 km away from Soroti town in a quiet and serene location. This thatch-roofed hotel offers a relaxed, naturally beautiful and open air environment, perfect for discerning travelers, which traditionally exists in every African village blended in a modern setting.

Accommodation

Consists of fully serviced cottages built in the most imaginative style with spacious self-contained single and double rooms laid out in beautifully landscaped gardens. Our rooms have single, twin or king size beds with a working desk and are decorated with an African touch.

Bar and Restaurant

We have a fully stocked bar with a DSTV for entertainment. The restaurant is open throughout the day serving breakfast, lunch and dinner featuring a wide variety of delicacies: traditional African dishes, oriental, western, culinary specialities including coffees and teas, a host of refreshments and much more.

Wedding and Party Venues

Our beautiful indoor premises and spacious gardens provide the perfect setting for weddings, parties and other functions. Enjoy great food, drinks and fun right from the reception to the after party.

Conference and Meeting Facilities

With a wide choice of modern conference halls and meeting rooms, we can cater for groups of any size at the same time. During the coffee and lunch breaks, all participants can enjoy fresh air in a garden atmosphere. The conference package includes TV screen, deck and flip chart board while an overhead projector and public address system can be hired at reasonable cost.

We have a business center with internet facility.
